A series of nutrition seminars designed for Bay Area physicians, nurses, dietitians and nutritionists will be held at SFGH beginning April 15. The series is sponsored by the Bay Area Human Nutrition Center, which is affiliated with UCSF and UC-Berkeley, and is directed by Norman Kretchmer, MD, PhD, professor of Nutrition, Obstetrics and Pediatrics.

Entitled "Nutrition and Health in Human Populations," the seminars are free and will take place on alternate Fridays from noon to 1:30 p.m. at SFGH in Room 4H2.

Topics and speakers for the next four months are:

- April 15: "An Overview of Ethnic Issues in Clinical Nutrition." Norman Kretchmer, Bay Area Nutrition Center.
- April 19: "Health Implications of Dietary Cassava in Human Populations." Linda Jackson, Anthropology, UC-Berkeley.
- May 13: "Hyperlipoproteinemia and Atherosclerosis." Robert Mahley, Gladstone Foundation Laboratories.
- May 27: "Culture Change: Its Importance in Health Research and Practice." Nelson Freimer, Bay Area Nutrition Center.
- June 10: "Dietary Habits and Nutritional Problems During Pregnancy." Janet King, Nutritional Sciences, UC-Berkeley.
- June 24: "Interplay Between Genes and Culture in Human Evolution." William Durham, Anthropology, Stanford.
- July 8: "Current Thoughts on the Role of Dietary Factors in Hypertension." Dorothy Perloff, Medicine.
- July 22: "The Relationship Between Infection, Nutritional Status and Growth in Infants." Dean Eschenberg, Epidemiology and Pediatrics.

Chancellor Krevans announced today that, despite rumors to the contrary, the University of California has every intention of continuing the merit program.

If the merit appropriation is not included in the Governor's budget, the Chancellor said, the University will continue to provide merit increases by absorbing the loss of funds in some other way.

Regardless of the source of funds, the merit increases will be effective July 1 and will appear on the following pay checks as in the past.

The Fourth Annual Verne T. Inman Lectureship and the LeRoy C. Abbott Orthopaedic Society's 18th Annual Scientific Program will be held Tuesday to Friday, May 3 to 6.

Robert B. Salter, MD, head of Orthopaedic Surgery at the University of Toronto, will present the Inman Lecture entitled, "The Philosophy and Nature of Surgical Research, with Examples," on May 5 in Cole Hall from 9 a.m. to 3:30 p.m. The Abbott Lecture entitled, "Why Immobilize Joints? (The Current Status of Continuous Passive Motion)," will be delivered on May 6, also in Cole Hall from 8:30 a.m. to 4 p.m.

Salter also will be a discussant in a residents' program of selected cases on May 3 in S 214 from 1:30 to 4:30 p.m.

Sponsored by the Department of Orthopaedic Surgery, the Inman Lectureship Program honors the second chair of the department. The Abbott Orthopaedic Society was founded in 1965 in honor of the chair of the department from 1936 to 1957.

For reservation information call x1166 or x2305.

NEWS BRIEFS

"Expand Your Horizons—Be a Hospital Volunteer" is the theme of this year's national volunteer week, to be held April 19 to 23, with Volunteer Services planning a series of events to say "thank you" to their many volunteers.

A special photo display will be set up in the lobbies of Medical Sciences, Moffitt Hospital, and the Ambulatory Care Center, depicting the important role of volunteers. On Tuesday, the Hospitals Auxiliary will sponsor a fashion show in the Golden Gate Room of Moffitt Cafeteria at noon with clothes modeled from the Auxiliary thrift shop, "Bear-ly New." Numerous other events are being planned to acknowledge the volunteers, including a special reception hosted by Chancellor and Mrs. Krevans. For further information call x1196.

As part of the weeks activities, in an effort to recruit more community participants, Volunteer Services will set up information booths in downtown San Francisco as part of the SF Volunteer Action Center Fair. They will be staffed from 11:30 a.m. to 1 p.m. on Wednesday, April 20, at 50 United Nations Plaza and on Thursday, April 21, at the Bank of America Plaza, California and Montgomery streets.

UCSF will participate in a city-wide disaster exercise on Wednesday, April 20. This year the operation will be primarily to test the radio communication system on campus and among other hospitals and emergency medical centers in the Bay Area.

In addition, a number of departments on campus are being asked to activate their individual plans to assess preparedness for medical care if a disaster should strike.

Next year UCSF will participate in a full-scale disaster exercise, in which all aspects of the Hospitals and Clinics and campus disaster plans will be tested.

Members of the campus disaster committee include: Michael Callahan, MD, chair; Antonio Alvarez, Allen Balderson, Carol Copperud, Lou Giancola, Hollis Gray, David Hellman, MD, Carl Heller, David Hohn, MD, Jane Hirsch, RN, Robert Morris, MD, Susan Muscarella, RN, Jay Tureen, MD, and Hiro Tokubo.

The School of Nursing Alumni Day will be held Saturday, April 23, from 8 a.m. to 4 p.m. with an unveiling of a bronze Florence Nightengale bust by San Francisco artist Harriet Moore in Saunders Court at 2:40 p.m., followed by a wine and cheese reception in the School of Nursing building mezzanine.

Continuing education presentations in HSW 300 during the day include:

- 10:15-11 a.m.: "Research in the School of Nursing: Historical Perspective and Present Activity." Sandra Weiss, RN, DNS, associate dean, Academic Programs.
- 11:05-11:50 a.m.: "Research Project: Families Coping with Diabetes." Thomas Nolan, RN, PhD, assistant professor, Family Health Care Nursing, Family Clinical Specialists Program.
- 1:45-2:30 p.m.: "Research Project: Self Care for Oncology Patients." Marilyn Dodd, RN, PhD, assistant professor, Physiological Nursing, Oncology Clinical Specialists Program.
- 1:45-2:30 p.m.: "Research Proposal: Children with Late Stage Malignancy." Ida Moore, RN, MS, third-year DNS student.

For registration information call x4723.

There has been a stipend increase for National Research Service Awards (NRSA) for institutional trainees and individual fellows for all appointments and awards made in fiscal year 1983 (October 1, 1982 to September 30, 1983). This increase will be provided on all grants and awards issued by NIH, Alcohol, Drug Abuse and Mental Health Administration (ADAMHA) and Health Resources and Services Administration/Division of Nursing.

The new stipend levels are as follows: no years of relevant experience—$14,040; one year—$14,736; two years—$15,468; three years—$16,236; four years—$17,040; five years—$17,892; six years—$18,780 and seven or more years—$19,716. Predoctoral stipend is now $5,292. For further information contact the Contracts and Grants Office at x2977.

Mrs. David S. Saxon will be honored at the annual UCSF Faculty Wives luncheon meeting, Wednesday, May 4, at 11 a.m. at the Faculty/Alumni House. New officers also will be elected at the meeting.

For further information contact Mrs. Lloyd Brandborg, president of the Faculty Wives, at 282-6176 or Mrs. Peter Frafton at 587-2457.

The LPPI-UCSF Alumni/Faculty Association's Sixth Annual Meeting will be held on Saturday, April 23, in the Langley Porter Auditorium from 8:30 a.m. to 1 p.m.

Entitled, "The Supervisory Experience: Risks and Rewards," the meeting will feature talks by the following UCSF faculty: Edward L. Burke, PhD, associate clinial professor, Medical Psychology; Alan F. Leveton, MD, associate clinical professor, Psychiatry and Pediatrics; Sherry K. Mendelson, MD, assistant clinical professor, Psychiatry; Robert S. Wallerstein, MD, professor and chair, Psychiatry; and Joseph B. Wheelwright, MD, clinical professor emeritus, Psychiatry.

Fee for the program is $15 current UCSF psychiatry trainees, $25 LPPI-UCSF Alumni/Faculty Association members, $15 additional fee for physicians wishing credit, $40 non-members. For further information call x77-395.

The UCSF/VAMC shuttle service now is being run jointly by the UCSF and the VA Medical Center Transportation Services offices, which has made it possible to expand to an hourly schedule. The new schedule is:

- Depart VAMC from Building 203: 7:35 a.m., 8:35 a.m., 9:35 a.m., 10:35 a.m., 11:35 a.m., 12:35 p.m., 1:35 p.m., 2:35 p.m., 3:35 p.m. and 4:35 p.m.
- Depart UCSF from Moffitt/Long emergency entrance: 8:05 a.m., 9:05 a.m., 10:05 a.m., 11:05 a.m., 12:05 p.m., 1:05 p.m., 2:05 p.m., 3:05 p.m., 4:05 p.m. and 5:05 p.m.

In an effort by the city to help eliminate transportation problems, effective April 1, a MUNI fast pass is good on BART within San Francisco city limits. Full-fare patrons without a fast pass can buy and use the BART/MUNI discount transfer ticket available for 60¢ to passengers leaving the BART paid area.

A nine-campus UC Charter Day will be held on Thursday, April 14, from 2:30 to 4:30 p.m. at the Faculty Club Green at UC-Santa Barbara. In case of rain the event will be held at the UCSB Event Center.

Ralph Dahrendorf, director of the London School of Economics and Political Sciences, will speak on "International Educational Exchange." The program will celebrate the 20th anniversary of the Education Abroad Program, which is headquartered at UCSB.

In addition, the Elise and Walter A. Haas International Award will be presented to Yoash Vaadia, a former UC-Davis student, who is now at the Hebrew University of Jerusalem. The award is presented annually to a former UC student who has made significant contributions to international affairs.

For free tickets and further information contact Joan Magruder at 961-2191.

Anyone who would like to hire a UCSF student for part-time, temporary or holiday work should call x4111, or send a job order to Student and Career Placement at 520 Parnassus Ave.

The first 1983 fund raising benefit of the "Friends of the Child Care/Study Center" will be held at the home of Chancellor Emeritus and Mrs. Francis A. Sooy on Thursday, May 5, from 5:30 to 7:30 p.m.

Tickets for this cocktail/buffet fund raiser are $100 and can be obtained through Compass Associates at 929-1417.

The "Friends" has raised more than $15,000 for the Child Care Center since its inception last year. Chaired by Clarence Malan, it now has 150 members.

Honorary chair of the fund raiser is Mrs. Howard C. Naffziger with co-chairs Mrs. Edwin Bovill and William Coblentz.

The John B. Harris Awards Committee is seeking nominations for the 1983 Harris Award, presented annually to a UCSF graduating student who best exemplifies the qualities of the associate professor of Medicine who died in 1973.

Harris, a dedicated scholar who contributed significantly to the teaching programs of the Department of Medicine, was active in the Civil Rights movement and interested in extending educational opportunities to disadvantaged students, particularly minorities.

Nominations are being accepted from members of the graduating classes of the schools of Dentistry, Nursing, Medicine, Pharmacy and the Graduate Division. Nomination forms are available in each student service office and should be sent to Greg Olson, SSB lower level, by Monday, May 2. For further information call x4773.

A Rumford Emergency Loan Fund has been established at the School of Pharmacy from proceeds from the Berkeley Democratic Club, the Berkeley Black Council and the All Berkeley Coalition (ABC).

The fund, which will be used for deserving young students, was established in honor of William Bryon Rumford, Sr., the first Black elected official in Northern California who was in the California State Assembly for 18 years before retiring last year. Rumford also operated the well-known Rumford's Drug Store on Sacramento Street in Berkeley for 30 years.

A new joint fellowship with UCSF and UC-Berkeley will now allow pediatricians to get a master's degree in Public Health.

The fellowship trains pediatricians in the psychosocial aspects in the care of children with chronically handicapping conditions. Doctors will spend their first year at the UCSF Child Study Unit, where they will do clinical work, and the second year in the Maternal and Child Health Program, School of Public Health, UC-Berkeley.

Applications for the fellowships should be sent to Helen Gofman, MD, UCSF Child Study Unit, Room A 203, or Frank Falkner, MD, Maternal & Child Health Program, School of Public Health, Earl Warren Hall, UC-Berkeley. For further information call x4575 or UC-Berkeley (ATSS) 8-852-1512.

IN MEMORIAM

Meyer Schindler, clinical professor emeritus, Otolaryngology. A well-known San Francisco ear, nose and throat specialist, he was a member of the clinical faculty since 1940. He served as vice-chair of the Department of Otolaryngology from 1967 to 1969 and acting co-chair of the department from 1972 to 1974. He became emeritus professor in 1978. Schindler was instrumental in establishing the UCSF Clinical Faculty Association and was active on several faculty, patient care and alumni committees. In 1981 he received the Charlotte Baer Memorial Clinical Faculty Award, which is given annually to recognize outstanding service to the UCSF School of Medicine.

Jeanne M. Yalon, former head nurse at the Oncology Clinic, CRI. Most recently she worked as a registered nurse in the private practice of UCSF's Samuel Spivack and Allen Newman, before retiring last year. A '44 graduate of the School of Nursing, she did her undergraduate work at UC-Berkeley. Her husband, Jerome M. Yalon, Sr., is a retired associate administrator of UCSF Hospitals and Clinics.

Alexander D. Armour, second-year student, School of Medicine. He was a 1980 graduate of Stanford. A memorial service will be held on Monday, April 11, 8 to 9:30 a.m. in Cole Hall. In addition, several afternoon workshops concerning well-being and coping with stress will be held on campus for UCSF faculty, students and staff. Details will be posted in Cole Hall, or call x1216.

Anyone who plans to be away for a month to a year, and would like to rent their furnished apartment or home to a visiting professor, should contact Ginna Bunker at 566-8594, several months in advance.

The Office of the Chancellor, Building Project Management Services, previously located at A C15, has moved to Laundry Storehouse LS 1000. The 5343 extension remains the same.
